Entering at the gates:

Teachers will be appointed (service teams) to receive learners at the gates.

Service teams' function at gates:

- Ensure that learners wear a mask and maintain a social distance of 1.5m.
- Allow learners to sanitize their hands.
- Encourage learners to move to the Gym as quickly as possible.

In the Gym:

Service teams responsibility at entrance:

- Ensure that learners maintain social distance
- Scan the learner's temperature (Temperature is either recorded in the diary or written on a sticker.)
- Ask the following questions:
 - Do you have a cough?
 - Does he / she have a fever? (38°C or more)
 - Is he / she short of breath?
 - Does he / she have a sore throat?
 - Was he / she in close contact with someone with the Coronavirus (Covid-19)?

If any of the answers to these questions indicate that the learner poses a risk to others, he / she must be accompanied to the "glaskas" where staff will receive him / her and contact their parents to come and fetch him / her.

- Ensure that learners move directly to their seats in the Gym.

Inside the gym:

- Learner sits in designated seat and completes the form.
- Teachers ensure that all forms are received. The contents of forms must be reviewed to ensure that all risk cases have been removed. If in doubt, contact the general office to remove the learner.
- All other important announcements are made.
